Licence Activation Guide

Licence Activation for Zeno 10/Zeno 15

Dear valued customer...

Thank you for purchasing a licence for our product. The following instructions will guide you through the licence activation process.

Please register your product at myWorld.leica-geosystems.com, our internet platform for our customers. myWorld provides 24/7 access to all information you require to actively manage your equipment. Here, detailed information on individual products and their service history can be found. The information also aids in maintaining the product value while at the same time enabling maximum efficiency and productivity.

Licencing Zeno Field/Zeno Connect

For using Zeno Field and Zeno Connect, a valid licence is required.

In the **Licence Manager**, you can register licences for:

- Zeno Field: Zeno Field licence, Zeno GIS key, CCP keys
- Zeno Connect: Zeno Connect licence, Zeno GIS key, CCP keys
- GS05/GS06: Add GPS and GLONASS licences to GS05/GS06
- GG02 plus: GLONASS option

All Zeno devices are shipped with pre-installed licence keys. Additionally, you receive the keys in printed form. In some cases it is necessary to register new licence keys, for example if the key for a CCP licence has expired.

How to register a licence for Zeno Field

Step	Description
1.	Start Licence Manager on your CS10/CS15 by tapping Start\Programs\Zeno Tools\Licence Manager .
2.	Enter your licence keys in the according fields in the Zeno Field tab. Or tap Browse and browse for you licence file. This will fill in all included keys automatically. These are: <ul style="list-style-type: none">• Zeno GIS Key: Enables the CS10/CS15 for Zeno Field• Zeno Field Key: Licence for Zeno Field• CCP Key: Maintenance key for Zeno Field

- when it has to be **right**
