# Leica Geosystems Licence Activation Guide

### Licence Activation for Zeno Office

## **Dear valued customer...** Thank you for purchasing a licence for our product. The following instructions will guide you through the licence activation process.

Please register your product at myWorld.leica-geosystems.com, our internet platform for our customers. myWorld provides 24/7 access to all information you require to actively manage your equipment. Here, detailed information on individual products and their service history can be found. The information also aids in maintaining the product value while at the same time enabling maximum efficiency and productivity.

### Activate licence
